Teacher Workshop:

Clues from the Past

How do we know about people who lived hundreds, or even thousands, of years ago? How do we begin to understand the clues left behind? Learn techniques used by archaeologists to make inferences about past lives.

Date & Time:

Wednesday, May 19, 3:30 - 5:00 p.m.

Special Event:

Underwater Photography

Join the Explorium and Gumbo Limbo Nature Center as we dive into a new realm: shooting underwater! We'll begin the day at the Explorium before caravanning to Red Reef Park, where you'll put your newfound knowledge to work while snorkeling.

Program includes disposable underwater camera and entrance to Red Reef Park. Program may be rescheduled due to weather or water conditions. All participants are responsible for bringing their own gear and must know how to swim and have previous snorkeling experience. All participants must be accompanied, including in water, by an adult. Please bring brown bag lunches.
