

After School Science Class: Flight Science

It has been more than 100 years since the Wright brothers made their historic flight. Before you fly away for the holidays, discover how airplanes, helicopters, and even birds stay up in the air.

Dates & Ages:

K & 1st grade (with parent): Tuesday, Nov. 16 (min. 3, max. 12)

2nd & 3rd grades: Wednesday, Nov. 17 (min. 5, max. 20)

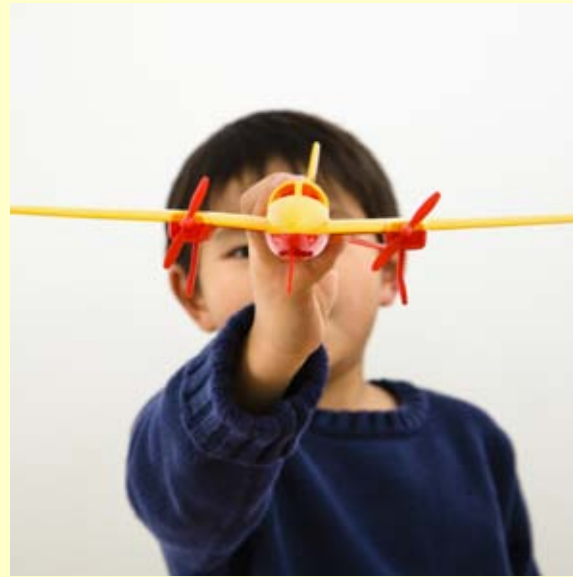

4th - 6th grades: Thursday, Nov. 18 (min. 5, max. 20)

Times:

All programs 4:00 - 5:00 p.m.

Cost:

\$7.50 Residents, \$9.40 Non-Residents

Early Afternoon Science Class: Seasonal Science

Most of the U.S. has spring, summer, fall, and winter. While Florida has those seasons, we don't really feel the difference between spring and summer. Instead, we have two major seasons: wet and dry. Each season means something different to its residents, and we'll experiment with weather and the reason for seasons.

Date:

Tuesday, November 2

Times & Ages:

Ages 6 - 9: 1:00 - 2:00 p.m.

Ages 10 - 12: 2:00 - 3:00 p.m.

Cost:

\$3.00 Residents, \$3.75 Non-Residents
